

Petra Hess

Professional Chef

Since childhood, I've cherished cooking alongside my mother, igniting a passion for culinary arts. As a revered five-star chef since 1981, my journey has intertwined with charter boats for 24 years. My creations are not just meals but expressions of artistry. Flexibility and open-mindedness define my approach. Over my career, I've adeptly catered to guests with various dietary needs, including those with medical limitations such as diabetes and gluten allergies, ensuring exceptional dining experiences for all.
